

## Netherfield Infant School and Nursery

### Music

#### Aims

For children to:-

- Enjoy music
- Explore how sounds and silence can create different moods and effects
- Develop into confident singers, singing a variety of songs from memory
- Experience music in a variety of ways, e.g.:- listening, participating, performing, composing, discussing
- Play musical instruments, adding accompaniments to songs, and creating their own compositions
- Experience different styles of music, e.g.:-classical, nursery rhymes, modern, popular, from different cultures, etc
- Listen carefully and respond appropriately to a wide range of music
- Record their own compositions
- Understand and use a basic musical vocabulary
